

Creative Industries Precinct Pty Ltd (CIP Pty Ltd) provides a range of services to small and emerging creative industry companies in film and television, design, music and new media.

This includes access to flexible workspaces at Creative Industries Enterprise Centre at Kelvin Grove and business development support. CIP Pty Ltd works to support and grow the creative industry sector, providing new jobs in Queensland with support from QUT and Queensland Government.

Some limited co-share office space will be available within the Creative Industries Enterprise Centre for qualifying creative industry businesses from March 2008.

If you have an exciting creative business that has the potential to grow and would benefit from co-location with like-minded companies, QUT research and industry relevant business advisory services, then we would like to hear from you.

Please contact Anna Rooke, CEO, CIP Pty Ltd for an informal discussion.
